

WAR RELIGIOUS PLAN
FOUGHT BY BAPTISTS

President of Southern Association at
Session Assails War Department
for Its Attitude.

ANNUAL SESSION IS OPENED

Excellent Reports Are Made of
Year's Work—More Than 2,500
Delegates Attend.

ATLANTA, Ga., May 14.—The
sixty-fourth annual session of the
Southern Baptist convention was or-
ganized here today with more than
2,500 delegates registered and the
convention opened and the total at-
tendance expected to approximate
4,000.

The first day was spent in organ-
ization, receiving reports of commit-
tees and an outline by the Rev. Dr.
J. B. Gambrell of North Carolina, pres-
ident of the convention, of a
fight the Baptists intend to wage
against the attitude of the war de-
partment toward denominational
religious work. With Dr. Gambrell
termed an effort "to break down de-
nominationalism." Tonight the con-
vention session was presided by
Rev. Dr. M. E. Dodd of Shreve-
port, La.

All committee reports showed a
steady increase in the amount of re-
ligious work carried on during the
year. Total contributions from south-
ern Baptists in the last 12 months
were more than \$17,000,000 and of
this foreign mission board took in
\$1,221,190, a gain of \$170,274 over
last year, and the home mission
board in current receipts showed
\$859,908, a 45 percent increase.

The report of the woman's mis-
sionary union and of the Baptist
women's missionary movement, aux-
iliaries to the convention, both showed
healthy increases in work done.
There now are 15,014 organizations
in the woman's auxiliary, which will
formally open its sessions tomor-
row.

Since shortly after the United
States got into the war there have
been references to objections by
Baptists to the war department's or-
der barring volunteer camp pastors
from military establishments. Dr. Gam-
brell, in his annual address to-
day, said that while the war was on
the attitude of the convention had
been to speak "very guardedly on
matters affecting the war." In order
not to hinder the work of redeeming
the world "from a scientific bar-
barism."

State executive committee elected
include Dr. A. C. Miller, Arkansas;
W. D. Hart, Louisiana; J. J. Bernard,
Missouri; W. D. Matthews, Okla-
homa, and W. B. Russell, Texas.
State secretaries include J. H.
Reynolds, Arkansas; Prof. W. O.
Scruggs, Louisiana; Dr. George B.
Mangold, Missouri; Prof. E. B. Hin-
shaw, Oklahoma, and Prof. Caswell
Ellis, Texas.
Dr. Gambrell was re-elected
president.

"THIRD DEGREE"
GREAT PICTURE

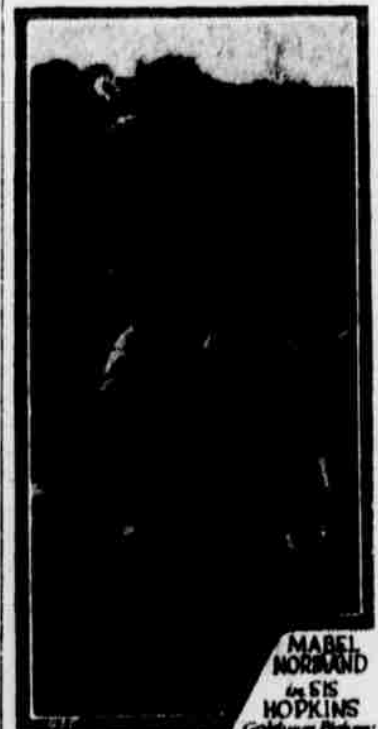

Alice Joyce's New Feature at
Rialto a Powerful
Drama.

You will come "mighty near"
agreeing with Albert E. Smith, pres-
ident of the Vitaphone company,
when you see Alice Joyce's new pic-
ture, "The Third Degree," now run-
ning at the Rialto.

Mr. Smith asserts that it is "the
greatest picture Vitaphone ever
made," a very big assertion. Un-
deniably it is an unusually powerful
drama and it sticks one to the very
depths. The play is recorded as
Charles Klein's greatest success, and
when produced on the legitimate
stage in New York ran two straight
seasons.

"The Third Degree" is very sim-
ilar to "Within the Law," which
everybody remembers as the great-
est melodrama of this generation. If
it is possible for any story to take
hold of an audience and hold it in a

Mabel Normand Juggles
Pumpkins in "Sis Hopkins"

A field of ripening pumpkins as
vast that it stretches away into the
dim distance is something that
it could only be found in that land
of abundance, California. As a
matter of fact, that is where the
scenes were taken for Mabel Nor-
mand's newest picture, "Sis Hop-
kins," founded on Rose Melville's
well known stage success of the
same name, and said to be Mabel's
greatest picture to date. It comes
to the Majestic theater next Sunday,
Monday and Tuesday and is sure to
set the whole town laughing. Many
laughable incidents occur in the
vast pumpkin field. The scenes
were taken in the San Fernando val-
ley, famed for its richness, even in
California. The clever heroine of
"Mickey" has found her greatest
comedy role in "Sis Hopkins" and
the Majestic is sure to be the laugh
center of this whole section of the
state on Sunday Monday and Tues-
day.

grip of suspense so great as to bring
the heart up into the mouth any
more than "Within the Law." It is
"The Third Degree" (one almost for-
gets the flight of time, it is so in-
tense.

In the character of "Annie Sands"
Alice Joyce has another tremendous
role, which she handles with power,
sincerity and conviction. She never
overacts, is never over-dramatic,
but rises to each situation with the
strength it exacts.

The supporting cast, composed of
such familiar names as Glad-
den James, L. Rogers Lytton, Anders
Randolph and Mrs. DeWolf Hopper,
is excellent. The "Captain Clinton"
of Rogers Lytton stands out dis-
tinctively for his cold, unsympathetic
but powerful forcefulness. It is
very similar to the "Inspector Burke"
character in "Within the Law." An-
ders Randolph is also powerful as
the wealthy father.—Adv.
